CROWDS DROP TO 24,000 AT S. MT. FAIR

The South Mountain Fair closed Saturday evening with an attendance drop of some 1,000 persons below the same day's figure last year, fair president M. E. Knouse reported today. The total weekly attendance also showed a decline over the previous year, he said, due to many factors.

Knouse cited the busy season of the peach harvest, the weekly rains in the county, the Zeigler Brothers fire Thursday evening, the 4-H horse show in Mechanicsburg Saturday and the Biglerville football game Saturday evening as some examples which may have caused the attendance drop.

24,000 TOTAL

He placed the total weekly figure at 24,000.

Knouse said, however, that the exhibits were well attended and the show was a "financial success." He added that all premiums will be paid within the next two weeks, and a final audit will not be made public until the board meets sometime in December.

Miss Betty Ann Willet, an acrobat from Hanover, won first prize in the finals of the amateur contest held in the Memorial Auditorium before a crowd of more than 750 persons. She was awarded \$35, in addition to the \$35 she won earlier in the week.

Second place winner was Miss Bessie Messersmith, Spring Grove, who did a baton twirling act for \$25 while the Middleton Trio, from Summerdale, won third prize of \$15. Judges for the event were Paul Grove, Gettysburg High School music instructor; Mrs. Donald Horst, Biglerville, and Lee Ann Leaphart, home economist from the Manufacturers Light and Heat Co.

LIST WINNERS AT ANNUAL FAIR IN HORSE SHOW

Jean Ramsey, Holly Hill Stables, Landisville, captured four first places in the annual Horse Show at the South Mountain Fair Saturday before 300 persons. The attendance and entries were a disappointment to officials who indicated that the future of the show in coming years may be in danger.

The Norman Fritz Stables, of near Westminster, captured three firsts and four seconds while Glenda Bowers of the Boxwood Stables, Columbia, captured three firsts.

Miss Ramsey's blue ribbons on "The Little Man" came in the road hack, open pleasure horse, horseman and open five-gaited saddle horse. Miss Bowers captured her firsts in children's pleasure horse, open three-gaited saddle horse, park hack. She won a second place riding "King Amber" in horseman.

WINEBRENNER PONIES

The Winebrenner Stables again topped most honors in the pony classes taking the small pony, lead line pony, children's pony driving and a first in the pony division of the brood mare and 1961 foal.

Judge for the event was Harold Childs, assisted by his wife from Ringtown. Announcer was Joseph Kenny of Harrisburg. Other officials were: chairman, W. Clayton Jester; secretaries, Mrs. LeRoy H. Winebrenner and Mrs. Jester; ringmasters, Cameron Hoffman and Carl E. Oyler; ring stewards, John Schroll and Dr. Bruce N. Wolff; veterinarian, Dr. Richard Newsham; and farrier, Robert Calmer. Soviets Set Off Two More Nuclear Blasts On Sunday

By W. B. RAGSDALE JR.
WASHINGTON (AP)—The Soviet Union has triggered two new nuclear blasts—one packing a punch far greater than earlier shots in the current tests.

The Atomic Energy Commission said the first of Sunday's explosions in the atmosphere was "an explosive force equivalent to several million tons of TNT."

Although it was by far the largest fired since the Soviet Union resumed testing 11 days ago, the blast was a long way from the 100-megaton level which Soviet Premier Khrushchev has boasted the Soviets will reach.

The second nuclear device, fired later in the day on the same arctic island as the first, was reported to be "in the low to intermediate kiloton range."

ALL IN ATMOSPHERE

The four devices tested before Sunday's doubleheader ranged from about the 20,000-ton equivalent of the bomb the United States used at Hiroshima to something in the 150,000 to 200,000-ton class.

All Soviet nuclear blasts in this series have been fired in the atmosphere.

Because it was so much more powerful, the first of Sunday's

ELK LEADERS LAUD CONDUCT OF WORKSHOP

Grand Exalted Ruler of the Elks William A. Wall, West Palm Beach, Fla., and State Association President Edgar B. Herwick, Frackville, put an enthusiastic stamp of approval on the Elks "kickoff" workshop, held here last weekend.

Both Wall and Herwick praised the affair as "the finest ever" and Wall declared that, while he had heard a lot about Pennsylvania hospitality, he had never experienced such "warmth and sincerity" before. All visiting officers were high in their praise of the work of the local committee in conducting the workshop. William C. Kuhn was chairman of the local committee on arrangements.

The workshop concluded Saturday afternoon and was followed by a smorgasbord, with Mary Howe offering the entertainment. Later there was dancing with Mary Howe and her orchestra providing the music.

750 ATTEND

More than 750 men and women attended the workshop activities over the weekend, with 400 attending the smorgasbord. There were 212 at the "windup" breakfast Sunday morning at the Elks Lodge. Every registered guest received a small football, symbolizing the nature of the affair.

During the workshop proceedings, Wall introduced L. A. Donaldson, Chicago, Ill., secretary of the grand lodge, as "the next grand exalted ruler who will be elected in July 1962." Wall called for an aggressive campaign against Communism and outlined his overall program for the year.

The workshop next year will be held at Bedford and the state convention in the Poconos.

He urged all adults to become "Scouters, leaders, committee-men, and be a part of this winning team to build the girls of today into the women of tomorrow."

Shorb had been arrested late Friday evening by Cumberland Twp. Policeman Bernard Miller Sr., for disorderly conduct and furnishing intoxicating beverages to minors.

After an investigation, two more counts against Shorb were filed before Whitman. Count Two was for misrepresenting name and age to obtain intoxicating beverages and committing an unlawful act to corrupt the morals of minors.

The charges stemmed from an accident last week when Miller caught four juveniles drinking beer from a keg in Cumberland Twp. Shorb was apprehended when he came to Miller's home to claim the beer keg.

File Answer To Suit Over Freezer

The Delmar Food Service Corporation has filed an answer to new matter contained in the answer of Fred L. and Marie C. Shaffer of Adams County to a suit brought by Delmar against the Shaffers over sale of a freezer to them.

In its answer Delmar claims that Mrs. Shaffer signed the papers arranging for the installation of the freezer and signed the receipt for delivery of the food. It claims that the Shaffers gave no written notice to it that the freezer was not operating properly. It answers the charge made by the Shaffers that an interest amount of \$392.42 for the freezer is "usurious," by holding the \$392.42 represents a charge for credit or budgetary charges. Usury, the company said, is an unlawful charge for interest on borrowing of money per se.

IKE GUIDES CONGRESSMEN ON FIELD TOUR

Forty-two freshmen GOP congressmen went over the Gettysburg Battlefield today in a tour conducted by an expert, General Dwight D. Eisenhower. Eisenhower was in a jovial mood as he met the group at the Virginia Monument at 10:55 o'clock, shook hands all around, and disdaining the use of a microphone, gave the congressmen an expert lesson in Civil War history.

The congressmen arrived in Gettysburg at 9:30 a.m. by bus and breakfasted at Howard Johnson's restaurant. At 10 o'clock they visited the National Museum, where they were the guests of Mr. and Mrs. George D. Rosensteel. Joseph Rosensteel, museum curator, narrated the account of the battle.

The group left the Museum at 10:45 a.m. in three buses with Col. Robert L. Schulz and a Park ranger leading the procession in a pilot car.

FAVORITE TOPIC

After a jubilant meeting with Eisenhower at the Virginia Monument, the briefing on the Battle of Gettysburg began. Eisenhower pointed out to the group that Gettysburg had been a favorite study of his since 1918 when he com- (Continued On Page 2)

Thousands Flee Texas, Louisiana Coastal Areas As Terrific Winds, High Tides Hit

GALVESTON, Tex. (AP)—Carla, termed the most intense hurricane aimed at the Texas coast this century, lashed Louisiana and Texas with 173-mile-an-hour winds and battering 11-foot tides today while the center still was miles at sea.

"People left Corpus Christi who never left before," said John Stallings of the Corpus Christi Call-Times.

More than 400,000 persons fled the coast in Texas and Louisiana in one of history's major flights, the Red Cross said.

PAUSES IN COURSE

Carla halted its forward progress toward shore about 7 a.m. and remained almost stationary for at least three hours, 65 miles due east of Corpus Christi.

The Weather Bureau warned earlier that Carla's hurricane winds and tides as much as 15 feet above normal would be of long duration.

The 173-m.p.h. wind at Port

Aransas, near Corpus Christi, was estimated by the Corpus Christi Weather Bureau office.

At a late hour the 30-mile-wide eye was expected to strike land during the afternoon between Aransas Pass in the Corpus Christi area, and Matagorda Bay, 75 miles northeast.

HUGE FARM LOSSES

Farm losses will be close to \$100 million, said John White, Texas agriculture commissioner.

Galveston, island city of 75,000 from which 15,000 fled, was completely isolated.

At Port Aransas, on low-lying Mustang Island just off the Texas coast, 55 persons remained, including a few citizens and a detachment of Coast Guardsmen, 15 feet off the ground in an elevated house.

COMMUNICATIONS CUT

They had no choice except to ride out the wind and tides. All communications to them were cut. As far inland as Bay City, 20

miles from the coast Carla's slashing winds ripped out power service and telephone communications.

At Port Lavaca, on Matagorda Bay, 9,200 of the city's 10,000 persons left for high ground and winds reached 70 m.p.h.

Shortly after daybreak, tides surged to 10.7 feet above normal at Port Aransas.

GUARDSMEN OUT

Sheet metal, poles, broken glass and trees flew through the air in Corpus Christi. National Guardsmen patrolled against looting.

Corpus Christi reported nearly five inches of rain since midnight and the deluge continued. Thousands of telephones went out of operation there.

Surging waves tossed a large shrimp boat atop a 15-foot seawall. All of North Beach at Corpus Christi flooded. It is crowded with beach houses and motels.

State police said the youth was a passenger on his father's farm tractor being driven two miles south of Littlestown on a legislative route in Germany Twp. by Roy Lee Reed, 15, Littlestown, R. 1. Police said a rear wheel of the tractor passed over the youngster's leg.

The accident was one of several investigated by state police of the local substation over this weekend.

Saturday at noon three automobiles were involved in an accident at Cross Keys in which damage was estimated at \$330 and Andy Alwine, 4, Hanover, suffered a bruised forehead.

According to police Harry J. Hoover, 69, New Oxford, R. 1, was driving south on the Hanover-Carlisle Rd. toward Cross Keys and slowed for a left turn. A car being driven south by Delores Alwine, 26, Hanover, according to police, hit the rear of the Hoover car, then glanced off and struck the right rear of a northbound auto being operated by Joseph Klunk, 40, Hanover.

The only injury was to the four-year-old son of Mrs. Alwine. The child's injuries were reported minor, and police said he was scheduled for treatment by the family physician.

DRIVER JAILED

Arthur Harris, 55, Gardner's R. 1, was placed in the county jail charged with operating without a license and reckless driving following an accident at 5:30 o'clock Sunday afternoon on a legislative route near Idaville. According to the officers, Harris failed to negotiate a curve and his car struck and tore down 20 feet of fence owned by Frank Keefer, Gardner's R. D. CARLA CHASES THROGS FROM STORM PATHS

DALLAS, Tex. (AP)—To escape lethal winds and tides hurling tons of water into normally populated spots, refugees from hurricane Carla surged northward by the hundreds of thousands.

In road-clogging masses, they poured inland from the Texas and Louisiana coast in an exodus probably unparalleled in American history.

J. L. Lamanoco of Hitchcock, one of the communities near Galveston, cleared before the arrival of mountainous waves, appeared to sum up a widespread sentiment.

SUMS UP FEELING

"I stayed out the 1915 storm when I was a teen-ager," Lamanoco said at an evacuee shelter in Austin, miles from the coast. "I know what a hurricane is. When they said 'get out,' I got out."

The migrants fled in cars laden with pets and other possessions in addition to necessary clothing and food.

"The girls just wouldn't let me leave the bird," said Mrs. Lester Shemah of LaPorte. She carried a four-foot high bird cage containing a blue parakeet.

TRAFFIC HEAVY

After an hours-longer than normal drive from Texas City, Mrs. Hector Morenos related:

"The traffic was so terrible that several times we wished we had stayed home. People aren't good drivers when they're scared."

Some moved as few miles as possible into the comparative safety of cities only a few miles from their imperiled homes. Others jammed public buildings, armories, hotels, motels and private homes as far north as Dallas, 300 miles from the Gulf of Mexico.

Red Cross spokesmen estimated a quarter million people were displaced. In most cases the migration was voluntary. At a few points the evacuations were by mandatory official order.

GM Strike Begins Today

By A. F. MAHAN

DETROIT (AP)—United Auto Workers Union members began striking General Motors Corp. plants at 10 a.m. today and indications were that the huge automotive company might be shut down by tonight.

The UAW represents some 325,000 GM hourly rated workers at 129 plants across the country.

As union workers started walking off their jobs company and union negotiators broke off national talks until 7 p.m. today.

The International Union of Electrical Workers and GM announced they were extending their contract deadline from 10 a.m. today until midnight Thursday. The IUE represents some 25,000 GM hourly rated workers.

As the strikes erupted, the UAW announced in a statement that a salient had developed in negotiations on noneconomic national-level issues.

A main snag, the union said, was its demand for more liberal relief time from machines and assembly lines to care for personal needs of the workers.

IKE GUIDES

(Continued From Page 1)

manded Camp Colt here and the only recreation he had was to tour the field.

Eisenhower said: "Before we can understand the details of what happened here, we must understand the national situation and the meaning of the battle. The Confederates were in a confident mood. They had had successes in the south and the west. Virginia was in bad shape with its crops and Lee felt that an attack in the east would serve many purposes."

"Success would bring help from the British and French. It would cause consternation in the north, particularly in Baltimore, Washington and Philadelphia. He decided on Pennsylvania and informed some of his officers without telling his political bosses."

"Longstreet, who opposed the campaign, was reassured by Lee that they would fight defensively. The Confederates had learned that defensive fighting is the strongest form of warfare."

Eisenhower went on to explain all the troop movements and activities which brought the Confederate army into action here, the missed signals among Stuart and Ewell and the eventual defeat.

He placed no blame for the defeat but he pointed out that the Richmond papers tore Lee to ribbons "much as Washington papers do others," he said with a grin. At one point he asked that the buses be moved because they were obstructing the view of Pickett's Charge.

PASS HIS OFFICE

When a reporter piped up, "Is this an executive order," Eisenhower quipped, "No, but it will be obeyed just as rapidly as one."

The group left the Virginia memorial at 11:17 a.m. and went to the Peace Light Inn, Barlow's Knoll, the Harrisonburg Road, then through Gettysburg past his office. As they passed the office, Eisenhower said: "They know I'm gone in there; there's probably nothing getting done."

The caravan continued past the Times office, circled the Square to Liberty St. to Spangler's Spring, Culp's Hill, the National Cemetery and the High Water mark, where they spent considerable time. From there they pushed on to the Wheat Field and the Peach Orchard and eventually to the farm.

Here the former President showed off his fitting barn and prize cattle and had a group picture taken and then individual pictures with each of the congressmen.

Afterwards they had lunch at the Hotel Gettysburg and a question and answer session with only the congressmen and no newsmen taking part.

The folksy-get-together was due to turn to politics at this point, on which Eisenhower is also something of an expert. A party source said he wanted to get across to the newcomers that older party leaders are particularly interested in their progress and hope to attract more winning candidates to the GOP banner next year.

Through the whole affair Eisenhower set a fast pace moving quickly, speaking vigorously and pushing the young congressmen.

DAMAGE SUIT SETTLED BY COURT TODAY

Settlement of the trespass action brought by Robert Francis Pyles as administrator of the estate of Eva Mae Whiles, late of Aspers, against George H. Reinicker, Camp Hill, for \$2,500 was approved by the county court this morning.

The suit was brought on behalf of two children of Mrs. Whiles and was based on an auto accident in October, 1959, in the square at Biglerville.

The settlement provides payment of \$1,875 to the Gettysburg National Bank as guardian of the estates of James Jeffrey Whiles and Jerome Lynn Whiles and \$625 to Attorney Gerald R. Walmer as counsel fees.

A continuance was asked by Attorney Edward B. Bulleit in the trespass action brought by Gertrude M. Wood as trustee for herself and children, Alonzo Martin Wood and Gilbert Maurice Wood, Baltimore, against A. B. Seifert and Sons, John H. Hampshire, Inc., Metropolitan Edison Co. and Gettysburg College. Mrs. Wood is seeking damages resulting from the death of her husband while engaged in working on the roof of the Gettysburg College dining hall while it was under construction.

A metal piece of equipment held by Mr. Wood apparently touched an electric wire and he was hurled from the roof. Attorney Bulleit noted that the case is scheduled for the next term of court and asked that it be continued because a companion case for John C. Davis is not scheduled for action at the same time.

Approval was given by the court to the final account of the Gettysburg National Bank as trustee for John Bart Corrigan, late of McSherrystown. The bank reported \$23,707.62 in the trust account. The court approved transfer of the amount to the bank as executor of the will of the late Mr. Corrigan.

Preliminary objections of the defendant, Roy E. Coldsmith, against complaint of the plaintiff, John H. Shovaker, were sustained following argument.

Argument on the assumption of action brought by United Interchange of New York against Lloyd J. and Pauline L. Spangler was continued to October 2.

The court approved the account of Gettysburg National Bank, administrator of the estate of Mabel R. Boyer, late of Gettysburg. The account leaves \$18,832.67 for distribution to heirs.

Argument was held on the defendants' motion to strike off judgment, notwithstanding the verdict of the jury, in the action of Alton W. and Hallie A. Snyder against William G. Munroe, Hartford Fire Insurance Co. and Paradise Mutual Fire Insurance Co. Snyder represented himself in the argument. No order was immediately handed down but the court's comments indicated it will dismiss motion to strike off judgment.

MILL'S RUINS KEEP BURNING

Firemen were recalled to the Zeigler Brothers Mill at Gardners Saturday to use fog on "hot spots" while workmen cleaned out debris from the first floor of the structure which caught fire Thursday night about 7:30 o'clock.

Aspers Fire Chief Charles Gulden said Bendersville and Aspers firemen remained at the scene until 3:30 o'clock Friday afternoon, then were recalled about 8:45 o'clock Friday night, remaining until 11 o'clock.

Saturday Arendtsville firemen were summoned during the morning to provide fog to cool "hot spots" revealed during the cleaning up process.

State fire marshal's office representatives were among those conducting investigations into the fire. Chief Gulden said.

The Aspers chief said he expects to be able to give an estimate of damage by Tuesday. There is a possibility, he said, that some machinery on the first floor of the mill may be usable.

intense hurricane to strike the Texas coast this century, said perhaps it may be the worst in Texas history.

TOWERING WAVES
An official forecaster said Carla at one point indicated a potential for developing winds up to 200 m.p.h. But this no longer was the case.

Well in advance of the hurricane's main force, tides nearly 10 feet above normal flooded scores of cities and towns. Water rushed through multimillion-dollar industrial plants along 200 miles of the coast.

Towering waves and winds hitting up to 140 m.p.h. in gusts wrecked piers, beach houses and boats, and knocked out power and communications.

DESERTED SHORELINE
Four tornadoes spawned by squall lines ahead of Carla slashed through southern Louisiana during the night. At Kaplan, one of the twisters killed 4-week-old Nancy Ann Simon, injured 50 persons, and damaged or destroyed 50 homes.

The hurricane itself, however, struck at ghost towns and cities on a deserted shoreline.

As the hurricane drew nearer, winds estimated up to 90 m.p.h. whipped blinding rain in almost horizontal sheets through Corpus Christi. Broken electric wires sputtered on the ground in places.

"Scouts all over the county," she said, "did their part by selling so very many cookies to permit us to pay off the mortgage and pay for the improvements. And now, because it is their camp, we would like our Girl Scouts to burn the mortgage which actually was settled in January of this year."

**Fire Destroys
Farmers Market**

AVONDALE, Pa. (AP)—A pre-dawn fire today destroyed the block-long Avondale Farmers Market in nearby London Grove Township, Chester County, state police said.

State Trooper Robert Lowe of the Avondale Barracks said seven fire companies fought the blaze for more than two hours before bringing it under control. The ruins still smoldered overnight, Lowe said.

According to Lowe three or four firemen suffered smoke inhalation. They were treated at the scene.

Lowe said the market is known as Scotty's Discount House. At the time of the fire it was closed and there was no one in the building.

The trooper said cause of the fire has not been determined. He said a damage estimate had not been made.

Cut Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

The Ticket: We give today the ticket settled by the Union Convention of Saturday last. It is an excellent one — and deserves, and will no doubt receive the hearty support of the whole-hearted Union men of Adams county. Men came together, of different party and political associations, with the one single view to give their unequivocal declaration in favor of laying aside their previous action as party men, and uniting upon one broad platform, The Union—The whole Union—To crash Rebellion —and place our noble Stars and Stripes, the emblem of our glorious Union—the beauty and glory of the earth—in clear, undimmed lustre, upon land and sea.

The Postage Stamps: The Post office Department is putting out the new Postage Stamps as rapidly as they come from the manufacturer. As offices are supplied, notices are given that the old stamps will no longer be recognized. Such notices having appeared in the papers at Philadelphia, Baltimore and other points, has given rise to the impression that the old stamps are no longer to be used at any of the offices. We are requested by Mr. Buehler, the Post Master at this place to state that the old stamps will continue to be recognized at all the offices in this county, until official notice to the contrary is given in the County papers. When the offices in this county are supplied with new stamps, ample time will be given for the redemption of all outstanding old ones.

We are further requested to state that the old stamped Envelopes are no longer recognized; but that persons having Envelopes of the old issue can have them exchanged for new ones at the Gettysburg Post-office.

Arrest Of Counterfeiters: The detective police have arrested and imprisoned at Buffalo, N. Y., one Andrew and his associates, whom they caught in the act of making a counterfeit of Ayer's Cathartic Pills. Their detection was accomplished at the instance of Messrs J. C. Ayer and Co., Lowell, Mass.

SEVENTY-FIVE YEARS AGO

Gored By Bull: Harry, a seven-year-old son of Wm. Lapole, tenant on the farm of Mrs. M. V. Dahlgren, on South Mountain, five miles west of Middletown, Md., was gored by a bull on Saturday evening, and seriously injured. The boy, in company with two brothers and a shepherd dog, had gone to the field to drive the cows home, when he was attacked by a strange bull that had gotten into the field and tossed him high in the air. One of the animal's horns penetrated the boy's side and the other his back. When the child fell to the ground the infuriated bull made another advance towards him, and would have probably killed him had not the dog grabbed the bull by the nose. While the two animals were fighting the boys made their escape from the field.

More Dedication: The 155th Pa. Regiment will dedicate a monument next Friday on Little Top. The regiment held the right of Weed's brigade. An excursion party of one hundred ladies and gentlemen from Pittsburgh are expected.

The 69th Regiment are arranging to dedicate a monument on the avenue in front of Pickett's charge.

Gen. Beaver: Gen. Beaver returned home from his western trip on Tuesday night, and had a grand reception from the citizens of Bellefonte without distinction of party. There was a large torchlight procession, illumination of houses and display of fire-works. In reply to an address of welcome he said that although he had been through fourteen states and six territories, and had seen all their grandeur and beheld the beauties of the Yosemite and Yellowstone, yet he was more impressed than ever

Today's Talk

I WONDER WHY?

The longer I live the more I wonder—why I seem to acquire. I wonder why so many people seem to get satisfaction over the misfortune of others. I wonder why people like to get revenge. I wonder why some newspapers play up the failings and errors of so many — so many who are merely lied about, misrepresented and cruelly hurt by such publicity. I wonder why so many people are jealous of the success of others who have striven and sacrificed and worked long and late for their rewards.

I wonder why so few people see the beauty that is everywhere. I wonder why so many shy at the mention of God and all that He means in the world.

I wonder why governments don't spend as much on education as they do on war making.

I wonder why people don't forget themselves more and remember that the other fellow is probably going through greater inward pain and battle than they are.

I wonder why there is much discourtesy in public places, in great stores, on trains, planes and in the public service.

I ate in a certain restaurant not too long ago and the head waiter was so thoughtful and courteous that I wanted to stay there the rest of the afternoon. I shall always go to this particular restaurant when I am in the vicinity.

I wonder why there has to be so much discord between nations, and peoples, when helpfulness and thoughtfulness mean a hundred times more to all concerned.

I wonder why we all forget so many times that we are made about the same as everybody else with feelings, aspirations and longings quite on a par.

Tomorrow Mr. Adams will talk on the subject: "The Dark Places." Protected, 1961, by The George Matthew Adams Service

Just Folks

THEY'RE BACK

I tripped on a tricycle left in the hall,

I sat on a dolly that slept in my chair;

Some building blocks, scattered,

gave me a bad fall,

But, honest, I didn't, no, I didn't swear.

I heard childish laughter and giggles and chuckles,

And what did it matter a shin blue and black,

Or the loss of some skin from my old hardened knuckles

Compared to the joy of the kids being back?

I turned on the light, and behold all around me

Were "shu-shu" cars ready to start with the day;

Tin soldiers drawn up; they were told to surround me

And bid me surrender to them right away.

And there was a teddy bear, front paws extended,

Either to hug me or give me a whack;

But just what it meant I at once comprehended —

"Thank goodness," I muttered, "the children are back."

Then straight up the stairs and over the landing

I flew with a bound and I went with a rush,

In an ecstasy there was no misunderstanding

Regardless of mother's admonishing hush;

And into their room I burst like a madman,

And picked up the kiddies and gave each a smack;

For there is no stopping a genuine glad man

Who comes home to find that his children are back.

83 Die As Charter Plane Crashes In Shannon With 77 European Passengers

By COLIN FROST

SHANNON, Ireland (AP) — Working knee-deep in mud, rescue workers today dug for more bodies in the wreckage of the chartered American plane that plunged into the Shannon estuary killing all 83 persons aboard.

19 BODIES MISSING

Aboard were 77 European passengers and six American crewmen.

As investigators sought to determine the cause of the crash, 19 bodies remained to be recovered from the wreckage.

The tailpiece of the plane jumbled about the slimy, gray mudflats like a giant tombstone. Lashed by rain, the people of Shannon toiled all day Sunday in a race against the incoming tides.

USE FLOODLIGHTS

As the tide came in and again covered the remains of the airliner, floodlights cut across the mudbanks and illuminated the wreckage.

The big four-engined plane plunged into the Shannon's waters minutes after taking off for the Atlantic hop after a refueling stop. The passengers had been taken aboard at Duesseldorf, West Germany.

The DC6B set off about the same time another charter plane carrying U.S. Army personnel and their families was called to leave. This led to erroneous reports from Shannon Airport officials and a U.S. Air Force spokesman in London that the Americans were victims.

AUSTRIANS AND GERMANS

The ill-fated airliner carried Austrian and German farm families, including a baby on a trip organized by a crop spray firm for a three-week visit to the American Midwest corn belt.

Littlestown High School, seeking its fourth straight outright Laurel Conference championship, suffered a rude jolt in opening its season Saturday afternoon by absorbing a 19-0 whipping at the hands of York Suburban on the Trojans' field. It was the first conference loss for the Thunderbolts since 1957 although they were tied last year by West York.

Early in the first period both teams suffered from fumbles, the Trojans miscuing once and Littlestown twice.

The Bolts recovered a Trojan fumble on Suburban's 27 but failed to capitalize by giving the ball back to their opponents on another fumble when Sid Trump recovered on the 33 from where the York Countians opened their initial touchdown drive.

TROJANS DRIVE 67 YDS.
The 67-yard drive took 14 plays and piled up five straight first downs with Lin Julius smashing over from the two-yard line with just five seconds of the first period remaining. A fumble on the pass from center prevented the placement try for the extra point.

After receiving the ensuing kickoff, the Thunderbolts failed to move and punted to Suburban's 32 from where the Trojans launched their second touchdown drive.

The key play in the 16-play 68-yard drive was turned in by Rod Albright on a fourth and four situation on Littlestown's 37. He fumbled a pitchout but picked up the ball and raced for a first down on the Bolts' 13. Later he picked up a first down on the two from where Larry Gross bolted over for the score. Julius attempted placement for the point was wide as Suburban led 12-0 with 4:10 of the half remaining.

In the dying minutes of the half Coach Ron Lawhead's outfit made its only serious bid for a score. The Bolts took the kickoff on the 38 and moved to the Trojan 9, a 24-yard scamper by Dick Motter being the largest gain. However, on the next two plays the Bolts were stopped as the half ended.

Early in the third period Suburban advanced to the Littlestown 13 via a 30-yard put return by Albright and a 23-yard run by Don Keller before the determined Bolt defense stopped the drive.

A short punt gave the Trojans the ball on the Bolts' 24. Keller shot off a kick for 22 yards and two plays later Julius pounded over. Julius added the final point on a placement.

Later Suburban made two threats in advancing to the Littlestown 12 and 15 before being halted. Meanwhile Littlestown was unable to penetrate into Suburban territory.

Next Saturday evening the Thunderbolts invade Dallastown for another conference game.

REDS STRETCH LEAD TO FOUR; DODGERS FADE

By THE ASSOCIATED PRESS
The Cincinnati Reds held a commanding four-game advantage over the Los Angeles Dodgers today in what had been a nip-and-tuck fight for the National League pennant.

Cincinnati gained the big advantage over the second-place Dodgers by sweeping three games from the St. Louis Cardinals over the weekend while Los Angeles was bowing three times to the San Francisco Giants.

After winning a pair from the Cards by one run, the Reds used Bob Purkey's two-hit pitching Sunday to tame the Redbirds 5-2. Wally Post contributed a three-run homer, his 18th.

SWEET REVENGE
During the Reds' first two hits with the Cards, Cincinnati won extra-inning thrillers, the 30th and 31st one-run triumphs scored by the Reds.

The Reds' weekend mastery of St. Louis, coupled with San Francisco's three-game sweep over second-place Los Angeles, had the rest of the league mumbling "it's all over but the shouting."

For San Francisco, the weekend, topped off by Sunday's 7-1 victory, brought sweet revenge. Two years ago, the Giants appeared headed for the NL pennant. The Dodgers struck them down in his season's dying days and went on to win the title and the World Series.

SPAHN WINS AGAIN
Elsewhere in the NL, third-place Milwaukee kept its faint pennant hopes alive by edging the Pittsburgh Pirates 4-3 on Warren Spahn's pitching, and the Philadelphia Phillies exploded for 13 runs in two innings to conquer the Chicago Cubs 14-6.

Orlando Cepeda and Willie Mays furnished the power and Billy Loes and Stu Miller the pitching in the Giants' rout of the Dodgers. Cepeda got his 40th homer and Mays his 37th. Mays scored three times, the third the 1,000th run of his NL career. Loes and Miller held the Dodgers to three hits, with Miller the winner.

PHILS LATE RALLY
Spahn's decision over the Pirates was his 10th in succession and 19th of the fading campaign. He has lost 12. He chipped in with a home run, the 30th of his career, in the seventh, but it took Joe Adcock's two-out single in the ninth to decide it. Tom Sturdivan (5-2) was the loser.

The Phillies, behind 6-1 after six innings, erupted for seven runs in the seventh with Don Demeter smacking a bases-loaded homer. They added six more in the eighth to climax their wildest scoring spree in a long, long while.

Skorich Confident On Eagles' Hopes
HERSHEY, Pa. (AP)—The National Football League champion Philadelphia Eagles, their first unbeaten exhibition season since 1955 behind them, broke camp today and headed for Philadelphia to prepare for their opener Sunday against Cleveland.

While most experts pick the Browns to win the Eastern Conference crown, head coach Nick Skorich of the Eagles feels his team has the stuff to repeat with the breaks and barring crippling injuries.

Skorich appears well satisfied with quarterback Sonny Jurgensen, former Duke star who will be taking over for Norm Van Brocklin. Van Brocklin last year sparked the Eagles to the NFL title then retired as a player to coach Minnesota.

Average 82.291 MPH To Win 500-Miler
ELKHART LAKE, Wis. (AP)—The first 60 laps of the 500-mile sports car race at Road America Sunday were dominated by Roger Penske, of Gladwyne, Pa., and Jim Hall, of Midland, Tex., but their Copper Monaco went out midway through the race with brake trouble.

Ed Hugus of Pittsburgh and George Reed, of Midlothian, Ill., took second place in a Ferrari Testa Rossa, three laps behind the winners, Walt Hansgen and Augie Pabst.

Hansgen, of Westfield, N.J., and Pabst, of Milwaukee, teamed in a Type 63 Maserati to a record-making victory, averaging 82.291 m.p.h. to defeat a field of 43 cars. They finished with a 12-mile edge.

LAST ROUND OF EXHIBITION GAMES IN NFL

By THE ASSOCIATED PRESS
The next time the National Football League teams go on the field it will be for keeps.

The 37-game exhibition schedule was completed over the weekend, with Detroit, Philadelphia, Green Bay, San Francisco, Los Angeles, Baltimore and Chicago winning their final tuneup games. And it may be sheer coincidence that six of these victors were in the Western Conference last season.

Only two teams escaped unscathed during the long pre-season schedule—the league champion Philadelphia Eagles and Green Bay, the 1960 western division champions.

REDSKINS LOSE 5
Green Bay won its fourth in a row Saturday night, exploding for 17 points in the third quarter to defeat the Washington Redskins 31-24. The Eagles romped over the St. Louis Cardinals the same night 27-0.

It was the Redskins' fifth straight loss, matching the pre-season record of the new Minnesota Vikings. The Minnesota entry was a victim of its own mistakes in dropping a 21-17 verdict to the Los Angeles Rams Sunday.

The most impressive individual showing in the final games was that of Johnny Unitas of Baltimore, who fired five touchdown passes as the Colts overwhelmed the New York Giants 49-20 Sunday at New Haven, Conn. Adding to the Giants' woes was the possibility that their veteran quarterback, Charlie Connerly, may have suffered a fractured nose early in the game.

LIONS HOLD BROWNS
The Cleveland Browns, runner-up in the Eastern Conference last season, bowed to the Detroit Lions Saturday for the second time, 35-17. The Detroit defense held the Browns' running attack to zero net yards in the first half. The Lions beat the Browns a month ago 35-7.

Quarterback Sonny Jurgensen continued to shine for the champion Eagles as he passed for two touchdowns to veteran Tommy McDonald. The Eagles showed their usual rugged defense, containing the Cardinal ground game and bottling up passers Charlie Johnson and Sam Etcheberry.

Quarterback Bill Kilmer ran and passed like a veteran as the San Francisco 49ers romped over the Dallas Cowboys Saturday night 24-7. The Cowboys were outplayed throughout.

The Chicago Bears eked out a 24-21 victory over the Pittsburgh Steelers Friday night to bring their pre-season record to 3-2. It was Pittsburgh's third loss in five starts.

OLD BRIDGE, N.J. (AP)—Jim Hoffman of Englishtown won the 12½ mile, 25-lap feature stock car race Sunday at Old Bridge Stadium.

He covered the distance in 9 minutes and 47.48 seconds. Second was Ed Flenke of New Britain, Conn., and third was Joe Kelly of Conshohocken, Pa.

Canners Upset Bubblers 18-7 Before Huge Crowd In Initial Grid Contest

The Canners of Biglerville saved the weekend for Adams County high schools by walking off with an 18-7 victory over the Boiling Springs Bubblers Saturday night on the Canners' newly remodeled Musselman field. The contest was played before a crowd of more than 3,000 fans.

Biglerville was the lone Adams County school to pull a victory on the opening weekend of scholastic football as Gettysburg, Delone, Littlestown and Bermudian all went down to defeat.

Biglerville, under head coach Jack Emanuel, had to put in a full night's work before it could claim the victory. The Bubblers caused plenty of trouble and at several times during the contest it was any one's game.

Biglerville's line was a little sluggish at times, but an alert and swift backfield made up the difference. Bill Slaybaugh, Canner 170-pound fullback, was the hero of the weekend as he crossed the goal line three times to account for all of Biglerville's score. Gary Fair, Wilson Harmon and Gary Wright also turned in outstanding performances considering that each played almost 60 minutes of football.

Both teams made deep penetrations during the first half. Biglerville advanced to the Bubblers' five-yard line midway through the second period, but Boiling Springs held. The Bubblers then marched to the Canners' 24 before the first half came to close with the count in a 0-0 deadlock.

PROFIT ON FUMBLE
The first break of the game for the Canners came at the eight-minute mark of the third frame. Steve Ecker, Bubbler quarterback, fumbled on his own 24. Wright then fired a pair of aerials to his favorite target, Gary Fair, which gave Biglerville the ball on the Boiling Springs' seven. Slaybaugh crashed to the four, Fair was stopped and the third attempt found Slaybaugh pounding off right tackle for the score. Perry Mickey's try for the conversion hit the upright on the right side and Biglerville led 6-0 at 7:45.

Following the kickoff, Boiling Springs was forced to punt on fourth down and Biglerville took over on the opponent's 49. Eight plays later the Canners were over with their second score with 10 seconds remaining in the third quarter. The score was set up on a fine 20-yard jaunt by Gary Fair. With the ball resting on the nine-yard line, Slaybaugh found an opening between right guard and tackle and bolted into the end zone. Slaybaugh faked a placement and tossed an incomplete pass, but Biglerville led 12-0.

BUBBLERS SCORE
Boiling Springs scored its lone touchdown with 9:50 minutes remaining in the game. Fullback Bob Myers took the Biglerville kickoff and raced 24 yards to the visitors' 39. Boiling Springs put on a sustained drive of 62 yards on nine plays to register its score. A big factor leading to the TD was Steve Ecker's 29-yard pass play to left halfback Ken Waggoner placing the ball on the Biglerville 36. Five plays later, with the pigskin resting on the Canner 26, Bob Myers bolted off left guard and raced the remaining distance for the score. Art Brandt added the placement.

Biglerville then took the kickoff and drove 44 yards to its final TD with 1:40 left in the game. Slaybaugh climaxed the drive with a seven-yard crash off left tackle. Again Slaybaugh's pass for the extra point was no good.

Another large crowd is expected to be on hand Friday evening when Biglerville will entertain the Warriors of Gettysburg at 8 p.m.

YANKS WIN 2 MORE; MANTLE HITS 53RD HR

By THE ASSOCIATED PRESS
Mickey Mantle picked up his 53rd home run in his bid to break Babe Ruth's 1927 record of 60 Sunday while he and his New York Yankee teammates were whipping the Cleveland Indians 7-6 and 9-3.

The Yankees' Roger Maris, who has 56 homers, had to be content with two singles during the day.

Commissioner Ford Frick has ruled that a player must hit 61 home runs in 154 team decisions to officially break Ruth's record. Maris and Mantle now have 10 games remaining in which to turn the trick.

FIST FIGHTS
Mantle's blast came in the second game of the doubleheader, punctuated by fist fights and arguments that both involved Cleveland center fielder Jimmy Piersall. The twin victories and Detroit's 8-7 loss to Boston left the Yankees 11½ games ahead of the runnerup Tigers.

In other AL games Baltimore nipped Washington 3-2, the Los Angeles Angels edged Chicago's White Sox 4-3 and Kansas City and Minnesota divided a pair, the A's splurging 13-1 in the opener.

The Yankees' double victory extended their two-season chain of victories over Cleveland at Yankee Stadium to 18 games and gave New York a sweep of its 12-game home stand.

Three homers by Mantle, Elston Howard and Johnny Blanchard brought to 219 the number the Yankees have hit this year and left them two shy of the record set by the New York Giants in 1947 and tied by Cincinnati in 1956.

Boston used 15 hits to outscore Detroit. One was rookie Carl Yastrzemski's two-run homer. Rocky Colavito smashed his 41st homer for the Tigers, but this wasn't enough to keep Don Mossi from absorbing his sixth loss in 20 decisions. Gene Cooney (10-12) got the victory.

Baltimore's Chuck Estrada had a shutout until the ninth when Billy Klaus hit a two-run pinch single with two out. Hoyt Wilhelm got the final out and preserved the Orioles victory.

Kansas City got 17 hits, including a triple, double and three singles by Billy Hower, in its first game triumph over the Twins. Harmon Killebrew got his 42nd and 43rd home runs for Minnesota. Pedro Ramos tossed the shutout for the Twins in the second game.

York Driver Wins Feature Car Race
WILLIAMSBURG GROVE, Pa. (AP)—Johnny Mackinson of York Sunday won the 35-lap feature stock car race at Williams Grove Speedway which was cut short by two laps to avoid a possible accident.

Mackinson had a lead of about a half-lap when the race was stopped after a car driven by Don Yaw of Williamsport spun around and became stranded at mid-track between the first and second turns.

Dick Tobias of Lebanon was second; Lorenz Alwein, of Altoona third; Neil Height, Randallstown, Md., fourth, and Leroy Felty, Jonestown, Pa., fifth.

MARIS FACES PROBLEMS IN HOMER CHASE
By ROBERT MOORE
Associated Press Sports Writer
Memo to Roger Maris:

If you're going to break Babe Ruth's 1927 home run record, you'll have to step up the pace. The one you've set so far won't get the job done.

So far, you've played in 144 New York Yankee team decisions. You've been at bat officially 152 times. With 56 homers, this means you've hit on the average of one every 9.41 times at bats.

Commissioner Ford Frick has ruled that he'll consider the record broken "officially" only if you come up with 61 in 154 team decisions, the same that Ruth required for his 60 homers. You've got 10 games to go and approximately 40 times at bats.

LOT OF WALKS
It's fairly safe to say they'll walk you at least once every four times, leaving only 30 times you'll get to aim for the fence. Needing five more homers, you've thus got to come up with one on an average of every six official appearances.

It was downright rude of those Cleveland Indians Sunday not to give up at least one more homer toward your goal especially since you and your Yankee teammates swept both ends of a doubleheader from the Tribe 7-6 and 9-3.

As for that roommate of yours, Mickey Mantle—the Mick, did manage a homer Sunday, his 53rd. He has been at bat 483 times for a 9.11 average per home run. He's eight shy of the Babe and would have to stroke one every 3.75 times at bats if he only comes up to the plate 30 times officially in the next 10 games.

Bermudian Is 27-7 Victim Of Northern In Opening Football Game Saturday

Despite playing one of its finest football games since the sport was adopted at the school, Bermudian Springs, like several of Adams County's high schools, fell by the wayside in its opening game of the season as Northern Joint registered a 27-7 decision Saturday afternoon at Dillsburg before 1,000 fans.

Unlike a year ago when Coach Dean Becker had to rely on Tom Hardy to carry most of the load, the Eagles seemed to have found the right combination with an excellent performance on the part of several players. Barry Schrade, Craig Hoke and Dave Bricker turned in fine jobs offensively while Roland Reibling was in on 55 per cent of the tackles as well as Jan Zeigler, Hoke and Don Fair. Of course Hardy once again gave a helping hand with his experience and size to both sides of the attack.

EXCHANGE FUMBLES
The contest opened in a fashion expected of two keyed-up ball squads. Bermudian kicked off to Northern and on the second play from scrimmage, workhorse Jon Sileo streaked 69 yards to what seemed to be a quick TD, but a backfield-in-motion penalty nullified the score. On the third play, Quarterback Gary Goehnaur fumbled and Dick Wolf recovered for Bermudian.

Hardy carried on the first play for the Eagles and fumbled giving the ball back to Reginald Baxter and the Polar Bears. Three plays later Sileo fumbled and Reibling recovered for the Eagles. From that point on the game simmered down and both teams put up a fine battle until Bermudian began to falter in the final frame.

ROY EMERSON TAKES TENNIS TITLE SUNDAY

By ED CORRIGAN

FOREST HILLS, N.Y. (AP)—The victory by Roy Emerson in the National Championship served today to underscore the desperate straits in which United States tennis is floundering.

Emerson, who won the title with a 7-5, 6-3, 6-2 decision over his fellow Australian, Rod Laver, Sunday, hasn't even been able to scratch out a singles assignment on his country's Davis Cup team. He has been used strictly as a doubles player.

Darlene Hard did gain back a measure of America's deteriorating international reputation by winning the women's title for the second straight year. She beat Ann Haydon of Britain, 6-3, 6-4, in just 47 minutes.

Emerson, for his part, said he hoped the title would give the Aussie moguls some cause to consider him as a singles player.

From the United States standpoint, the Aussie lineup for the challenge round is purely academic. For one thing, there is no assurance America will reach the challenge round. The chances are it won't get by Italy in the semifinal.

Chuck McKinley, the big U.S. hope, was knocked out early in the tournament. Dennis Ralston, No. 2 on the list, is in the United States Lawn Tennis Association's doghouse and has been barred from playing until Jan. 1.

BULLETS DRILL WITH TEACHER
Gettysburg College and Shippensburg State College held a full-dress football practice Saturday afternoon at Shippensburg with the Bullets holding the upper hand most of the way.

Coach Eugene Haas was surprised that the Bullets' offense moved better than the defense and said it was unusual for this time of year. "As a result emphasis will be placed on defense this week," he added.

Performing well for the Bullets were such veterans as Little, Richter, Duncan and Wargo while Wolfgang, Nelson and Parsons showed up well for the sophomores.

The Bullets open their season Saturday afternoon against the University of Buffalo at Buffalo.

Bobby Hersh Takes Lincoln Feature
Bobby Hersh (39) was the winner of the sportsman modified feature race at the Lincoln Speedway Saturday evening. Johnny Mackinson, winner of seven straight at the oval, was kept out of the feature when he developed engine trouble.

Finishing second was Leroy Felty (77) and Bobby Abel (21). Felty and Abel were the heat winners.

The strictly stock feature was taken by Don Eisenhower (39) with Charley Wierman (X) second and Charley Grindstaff (70) third. Eisenhower and Willie Musselman (77) were heat winners.

Another program will be held at Lincoln Saturday evening.

Seton Hall Drops Tournament Games
SOUTH ORANGE, N.J. (AP)—Seton Hall University will play regular basketball games but not tournament basketball.

The university will also limit competition to schools in the New England and Middle Atlantic States areas.

The new policy will be followed after the school has honored all existing contractual obligations, University President Msgr. John J. Dougherty announced Saturday.

The new policy was announced just six months after two Seton Hall players were accused in a point-fixing scandal.

Princeton Coach Likes Sophomores
BLAIRSTOWN, N.J. (AP)—Princeton football coach Dick Colman said Sunday he was "impressed by some sophomores who were coming along" as he reviewed the first days of football practice.

Mort Fuller and Al Swenson, "looked good in their workouts as line backers on defense," Colman said.

Fuller, of Dalton, Pa., was moved in from fullback and Swenson, of Rydal, Pa., over from guard to bolster the center spot. Center is weak because of no returning veterans.

CATHOLICS IN BATTLE WITH CUBAN POLICE

HAVANA (AP)—Roman Catholic demonstrators shouting "Cuba yes, Russia no" fought police Sunday night in an unusual show of defiance of the Castro regime.

Shots were fired as the police and militia broke up a march on the Presidential Palace. One man was killed, three wounded and scores suffered bruises from police clubs.

The anti-Communist outburst erupted after about 4,000 Cubans massed in downtown Havana for the annual procession of Our Lady of Charity, patron saint of Cuba.

Word that the Interior Ministry had banned the procession sent the demonstrators into a fit of anger and they started to march on the Presidential Palace.

The fighting erupted as the police and supporters of Prime Minister Fidel Castro pitched in to break up the crowd. An announcement that he authorities had granted permission for the procession failed to quiet the crowd.

Church authorities stepped in and called off the procession. A priest pleaded with the demonstrators to go home.

The crowd ignored the appeals. It was the first outward show of violence against the Castro regime's close ties with the Communists since the abortive invasion by Cuban exiles last April.

ALGIERS (AP)—New terror campaigns by Europeans and nationalist rebels appeared to be underway today across Algeria.

With reports still incomplete, five persons were killed and five injured Friday in attacks from both sides. The day before 24 plastic bombs exploded, injuring two persons. These are the weapons of the European extremists opposed to independence for Algeria. Rebel attacks Thursday left 7 dead and 13 injured.

Recover Body Of Crash Victim

JACKSONVILLE, Fla. (AP)—The body of James G. Brown of Hattboro, Pa., was recovered Sunday from the wreckage of a Navy bomber in Lake Georgia.

Four others were killed and six were injured Thursday night when the two-engine Neptune patrol bomber crashed into the lake, 80 miles south of here, on a low-level training run.

Brown, a chief aviation mechanic, was a member of Patrol Squadron 931, a reserve unit from Willow Grove, Pa. The unit was on two weeks active duty at the Jacksonville Naval Air Station.

GRAHAM SAYS ATTITUDES IN HOME FAULTY

PHILADELPHIA (AP)—Evangelist Billy Graham says many persons are unnecessarily contributing to the destruction of America by their attitude in the home.

There are more unhappy marriages now than at any time in history, the Rev. Dr. Graham told an estimated 2,000 persons in Connie Mack Stadium Sunday.

He said America's divorce rate is three times more than England's and Australia's and six times that of Norway and Holland.

"When the home breaks, the nation is on the skids," he said. "We are threatened by communism from without and moral decadence within."

ADVICE TO MARRIED

With the sunlight beaming down on him, Dr. Graham offered advice to the married and to the young still in courtship.

"True love is never selfish," he said.

Charge State Man In Shotgun Death

TOWANDA, Pa. (AP)—State police plan to arraign Joseph Yost today on a charge of murder in the shooting of Kenneth Vanderpool.

State police said Vanderpool, 29 was killed Saturday by a shotgun blast in a bar owned by Yost. State police said the shooting followed an argument over the victim's wish to buy a beer for another customer.

TOKYO (AP)—The Foreign Office said today Japan will protest the Soviet Union's designation of an impact area in the central Pacific for a series of rocket tests beginning Wednesday. The central Pacific is a major Japanese fishing area.

said, "Love will die if it is not fed on thoughtfulness, courtesy and work. There is no place in the Bible for marriage based on lust and sex. Sex by itself is not love."

Dr. Graham admonished mothers against working "except in extreme emergency, or absolute economic necessity."

WORKING WIVES

"I don't think a wife has the right to work when she has young children. Your job is to make yourself attractive to your husband."

Laughingly, he added: "Is it any wonder some men don't want to come home at night?"

Dr. Graham told the men that "the Bible says the husband is to love his wife as Christ loves the church so much that he died for it."

For young persons still in courtship, he offered this advice: not to marry an unbeliever.

ON PUPPY LOVE

"If he is not a committed Christian, drop him," the Evangelist said. "God may be just testing you. God has the right person for everyone. Some he doesn't want to be married. He wants some to serve Christ and there will be a special reward in Heaven for them."

Cautioning against rushing into marriage at an early age, Dr. Graham recollected:

"I thought I was in love two or three times. They called it puppy love but it was sure real to the puppies."

ONE CHILD DISCIPLINE

Touching off on the subject of child discipline, Dr. Graham said: "If you don't discipline your child, you are showing him you don't love him. A child is made for authority; without it he has no sense of love."

An estimated 692 persons came forward to make "Decisions for Christ" following Sunday's sermon.

No services are scheduled for tonight, the crusade's day of rest. Beginning Tuesday night the Crusade will move into Philadelphia Stadium during this final week here.

JIM PIERSALL WINS HIS 1ST FIELD BATTLE

NEW YORK (AP)—Jimmy Piersall is giving fair warning to spectators with an urge to invade his centerfield territory intent on doing him bodily harm.

"I'll swing at anybody that comes at me," the fiery Cleveland Indian player promises. "I won't ask any question. Who knows? The next guy may have a knife with him."

Piersall issued his warning between games of the doubleheader between the Indians and New York Yankees at Yankee Stadium Sunday after two young spectators had rushed onto the field and attacked him.

CONNECTS WITH LEFT

Piersall felled one of them with a left and booted the other before his teammates and police arrived on the scene. Both were charged with disorderly conduct.

"They came at me like madmen, hurling insults," Piersall related. "I could see fire in their eyes. One of them yelled, 'we'll get you, you nut,' and cocked his right hand to hit me."

"I didn't wait to hear any more. I got in the first punch. I got the first guy with a left hook and he went down. I hit the other with a right but the punch landed a little high and he stayed up. He tried to get away but I connected with a kick in his rear before the cops grabbed him."

NO REGRETS

Piersall said he had no regrets over the stormy incident which occurred before nearly 50,000 stadium fans and a vast television audience.

It was the second such incident involving Piersall in two weeks. Two weeks ago in Cleveland a fan charged him and was sent on his way by Piersall with a swift kick in the pants.

Piersall had one source of satisfaction.

"First fight I ever won," he said. "I've had 117 fights and this is my first victory."

SPAHN SETS NEW RECORDS

By DAVE O'HARA
Associated Press Sports Writer
MILWAUKEE (AP)—For one of baseball's all time great pitchers, southpaw Warren Spahn is quite a hitter. And his ability at bat is playing a big role as he keeps rolling along the victory trail.

Spahn, a 40-year-old wonder, continued his assault on the record book—both on the mound and at the plate—in hurling the Milwaukee Braves to a 4-3 come-from-behind victory over the Pittsburgh Pirates Sunday at County Stadium.

The Pirates proved that Spahn was human by nipping him for three runs in the first, stopping his personal string of 23 2-3 scoreless innings. But then the brilliant left-hander settled down and was the master of old.

Spahn helped his cause every way in posting his 10th straight victory, his 19th of the season and No. 307 of his career. He handled four chances cleanly in the field—and hit a homer and a single. His ninth-inning hit led to the decisive run.

After getting the first two batters, Spahn faced an early shower as the Pirates collected four straight hits for three runs. He finally got out of the inning. But Milwaukee Manager Birdie Tebbets took no chance and had re-

DAVE HILL IS DENVER WINNER

DENVER (AP)—Haunted by home-town magic, the touring golf pros headed today for Seattle after Denver's Dave Hill pocketed top prize of \$3,500 Sunday with a 21-under par performance in the \$30,000 Denver Open.

Hill, 24, duplicated the feat of the previous week by Earl Stewart, of Dallas, first home pro ever to win a PGA tourney. Hill, a Denver resident, has been a touring pro the past two years.

His final round 69 for a 283 total was six strokes better than Art Wall Jr. and Bob Goalby, who each collected \$2,050 for runner-up honors. Far for the 6,843-yard course is 71.

Hill's \$3,500 payoff was his second major victory in two years with the tour. He won the Tucson Open in a playoff last winter.

Doug Sanders, biggest money winner playing at Denver, picked up \$1,400 for his 270, which tied him with Bob Rosburg for fourth and fifth.

VIENNA, Austria (AP)—A Soviet astronaut will shortly make an interplanetary flight, the Bulgarian paper Otschestven Front received here today said. It gave no details.

MISS AMERICA PAGEANT HAS HIGH RATING

By CYNTHIA LOWRY
AP TV-Radio Writer

It's a wonder some smart TV packager doesn't come up with the idea of a weekly—instead of a yearly—"Miss America" or "Miss Universe" contest. Each time one turns up on the nation's TV screen, it runs away with audience ratings. After all, that's the real test in TV.

A beauty contest really has everything, and those requirements of talent and poise are just incidental to the swimsuit parade. First, of course, there are pretty girls and that's always guaranteed to woo the male from Westerns and baseball games.

LOT TO BE DESIRED

There's also the audience identification with the judges. Every member of that vast TV audience watching the selection of North Carolina's Maria Fletcher as "Miss America" on Saturday night—had his (or her) favorite Misses.

Unfortunately, "The Miss America Pageant" left a lot to be desired in terms of entertainment and—particularly—sparkling dialogue. It stumbled along for darned near three hours, most of the time at an embarrassingly amateurish pace. But that didn't really matter. The show was pretty young girls.

After all, the beauty contest is a great American institution along with hot dogs and central heating. It comes at a very dull period of the TV year. So let's just be grateful.

A Lovelier You

CONDITIONING SHAMPOOS.
Has your hair become dry or drab, or both, over the summer? If so, you can blame the damage on too much sun or too little care.

The immediate remedy is a corrective shampoo. Just select one suited to your special needs, and even after the first application improvement will be noticeable. Continued use would restore resilience and sparkle, and help to prevent wintertime brittleness.

So that you can choose wisely, here's a run-down on several types of corrective shampoos: One formula, a shampoo-and-set combination, is fortified with solubilized protein. It encourages curl and provides a special conditioning action, via the protein content.

In case you wonder just how protein improves the hair, the explanation is this: Viewed under a microscope, damaged hair looks rough. Each strand is shaggy with endy flaps of cuticle that in normal hair lie flat. Protein forms a coating that smooths down those flapping flaps. As a result, your hair looks, feels, and is silkier.

Another excellent conditioner is a shampoo enriched with egg and protein. Its extra property is shimmer. A third—lotion cream shampoo with lanolin—offers lubrication and a built-in brightener. Merely to set the record straight, all of these shampoos, are helpful for chronically dry heads and not only for those that went dry suddenly last summer.

RULE YOUR WAVES?

What's your hair problem? You will find a way to overcome it in my 16-page booklet, **RULE YOUR WAVES**. Advice includes: Beauty treatments for oily, dry and normal hair; ways to manage unruly locks; how to add color and highlights; tips on cutting, permanents and styling; grooming tricks. Write me: A Lovelier You, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a large, self-addressed, stamped envelope and 20c in coin.

NEHRU MAKES NO PROGRESS WITH PREMIER

EDITOR'S NOTE — Preston Grover, veteran AP foreign correspondent who is chief of bureau in Moscow and formerly served in India, kept a close watch on Prime Minister Nehru's mission to Moscow. He finds the outlook not encouraging.

MOSCOW (AP) — Two days of talks between Premier Khrushchev and Prime Minister Nehru of India appear to have brought the world no nearer to peace. Nehru left for home Saturday with little success to show in his role as East-West mediator.

The tough Communist and the elegant, erudite Indian seemed to be working in two different worlds.

On the eve of Nehru's visit, the Soviet Union exploded its fourth nuclear weapon in the current series. As the talks proceeded, an interview with Khrushchev was published in the United States quoting him as threatening to make even bigger bombs so he can frighten other nations out of making war.

Nehru held to his position that nuclear testing should stop and that East and West should try to negotiate a settlement satisfactory to both sides.

Khrushchev remained determined to bring about a settlement in Germany.

Nehru apparently proposed a middle way, as he had in recent foreign policy speeches to the Indian Parliament. There was no assurance that any of his proposals would have been more welcome in Washington than in Moscow.

If there was any agreement between them it was on lesser things. Nehru apparently discussed possible additional aid to India.

Khrushchev heeded the appeal delivered by Nehru from the non-aligned nations conference in Belgrade and said he would be glad to confer with President Kennedy. But the Soviet premier insisted that a German peace treaty must be the major point of discussion. He coupled it with a warning that if he did not get agreement of the Western nations, he would sign one with East Germany and attempt to turn over control of the access to West Berlin to the Communist East German regime.

To Nehru, this appeared discouraging. He spoke to a big Soviet meeting with limited enthusiasm. He went to a Kremlin reception given for him by Khrushchev, but once the formalities of introductions and simple toasts were finished, Khrushchev huddled with some diplomats and Nehru wandered about among the others. Later he spoke over Soviet television with little animation.

5 PHILLY MEN HELD IN THEFT

PHILADELPHIA (AP) — Police said they arrested five men Thursday night at a Philadelphia car wash garage after finding 133 suit coats and 135 pairs of trousers allegedly stolen from a Bristol Township clothing store.

Officers said the coats and trousers, valued at \$8,450 were found in an auto belonging to Phillip Appenzeller, 28, of Philadelphia.

Also arrested were William McClure, 36; John J. Fleckstein, 31; and Robert Gourley, 30, all of Philadelphia, and John Friel, 38, of Somerdale, N.J. Police said Gourley operated the garage.

The five men were charged with burglary, larceny, receiving stolen goods and conspiracy.

Police said all five denied any connection with the theft of the clothing last Thursday from Robert Hall's store. Officers quoted Appenzeller as saying the clothes were put in his car as a "frame."

12 KILLED IN PA. ACCIDENTS OVER WEEKEND

By THE ASSOCIATED PRESS

Two persons were killed in weekend accidents in Pennsylvania, seven of them on the highways.

The traffic toll and the total accidents were both low, but neither set a record.

The low record in both categories this year was set during the weekend of Feb. 3-5, when two persons were killed in traffic accidents and two others in other accidents.

The record high was set during the weekend of July 21-23. A total of 37 persons were killed then, 20 of them in traffic.

COUPLE KILLED

Among the traffic victims were Samuel Barnes, 74, and his wife, Katherine, 71, of Levittown, who were fatally injured Sunday when their car, driven by a foster son, collided with another car in Mid-dletown Township. Four persons were in the second car, but none was injured seriously.

Other victims this weekend were:

Warren — Herbert Waite, 55, Warren R. 1, hit by two cars Saturday as he walked along a road in Conewango Township near Warren.

Shenks Ferry—Kenneth E. Moser, 12, New Park R. 1, drowned in Susquehanna River while on an overnight camping trip near this York County community Friday night.

ACCIDENTAL SHOOTING

Bloomsburg—Edward Presman, 37, Hunlock Creek in Luzerne County, when his auto hit a parked truck near here Sunday.

Salisbury—Richard Hersh, 24, R. 3, Myersdale, when hit by an auto early Sunday on Route 219 a mile north of here.

Towanda — Ernest VanderPool, accidentally shot while target practicing Saturday.

Pittsburgh — Gilbert Seifert, about 45, suffocated early Sunday in fire at a four-story rooming house. Two others were hurt, but nine escaped uninjured.

KILLED IN DIVE

Philadelphia — James Neville, 60, died Sunday of injuries suffered Saturday night when he was hit by a car. He was sitting in front of his house when a car ran out of control and struck him.

Pittsburgh—Robert Taylor, 38, McKeesport, drowned Sunday while swimming in the Monongahela River in Lincoln Borough.

Brookville — Eugene Riley Jr., 21, Clarion, killed Sunday when his automobile collided with a truck.

Greenville — Robert Bartholomew, 39, of Hadley R. 2, killed in a 20-foot dive from a tree into a river Sunday.

BERLIN (AP) — Members of the Communist youth organization are conducting a merciless hunt for East Germans who watch television programs beamed from the West.

Bands of blue-shirted "Free German Youth" roam towns looking for antennas tuned to the West. They wear red arm bands to show they have been appointed "keepers of public order," assigned to terrify people out of viewing enemy stations.

CAPE CANAVERAL, Fla. (AP) —A faulty fuel valve apparently caused an Atlas missile to fall into the Atlantic Ocean about 200 miles offshore Friday night shortly after it lifted off on the start of an intended 5,000-mile test flight.

Air Force technicians studied data radioed from the missile in an effort to pinpoint the trouble. Early analysis indicated a valve problem which caused the main sustainer engine to shut down prematurely.

Herbert Wetzel, Reading, visited recently with his parents, Mr. and Mrs. Dale Wetzel.

Miss Elaine Newell, daughter of Mr. and Mrs. Frank Newell, has enrolled as a student at Shipensburg State College. Miss Newell graduated from Fairfield High School in June.

Recent guests of Mr. and Mrs. James Donaldson and Miss Carrie Kittinger were Mr. and Mrs. Charles Druschel of Catasauqua, Pa. Miss Kittinger accompanied them home for a visit.

MISS AMERICA STARTS REIGN IN NEW YORK

NEW YORK (AP)—The nation's newest dream girl started off happily today along the year-long path she hopes may lead to a glowing career in the entertainment world.

It was in this show business mecca that Maria Beale Fletcher—the newly crowned Miss America—received her first glare of the bright lights.

The 19-year-old North Carolina beauty was a member of the Radio City Music Hall's famed Rockettes last year before she returned to her Asheville home to spruce up for the Miss North Carolina contest.

She was still sprucing today, but this time it was to prepare for her reign in the Miss America role that she won over 54 other beauties at Atlantic City, N.J., Saturday night.

The brown-haired, hazel-eyed Miss Fletcher will spend a month here, with much of it in the selection of a wardrobe suitable for her queenly proportions. She stands 5 feet 5½ inches tall, weighs 118 pounds and measures 33-24-35.

Miss Fletcher said she was "very, very honored and very thrilled" at winning the nation's oldest beauty title.

PARENTS WERE DANCERS

Her parents, Mr. and Mrs. Charles Beale Fletcher, both dancing teachers and former professional dancers, were present for her triumph.

"That made it so much more real and wonderful," she said. "I've envied them so much."

Maria, an accomplished dancer, won her first talent prize at the age of 7. She said she would like to use the \$10,000 scholarship she won in the Miss America Pageant to study in some field of entertainment, possibly at the Pasadena Playhouse in California.

Besides the scholarship, she will get about \$75,000 plus expenses for personal appearances during the year. Her first one will be at the Air Force Association convention in Philadelphia Sept. 22-23.

Miss America has two sisters, Margaret, 17, and Bonnie, 10, and a brother, Walter, 9, who watched the pageant on television at Asheville.

Bureau researchers said Saturday they hoped to seed tropical storm Debbie with silver iodide this week, if the disturbance comes within range.

Debbie, with winds up to 70 miles per hour near the center and nearly 3,000 miles east-south-east of Miami, moving westward at about 14 miles an hour.

PEACE CORPS FACES TESTS

UNIVERSITY PARK, Pa. (AP) —The biggest Peace Corps contingent recruited so far will end seven weeks of training at Pennsylvania State University Friday.

Corps officials will know by then which of the 150 candidates qualified for an overseas assignment to teach in the Philippines. Those who make the grade after the rigorous training will leave here for a brief rest at their homes. They will report later to the Philippines.

After more training there, the corps volunteers will head into Filipino villages to assist in teaching English and elementary science courses.

Dr. Paul W. Bixby, director of the Penn State corps program, said the 150 candidates "will be evaluated in the light of what we sought to do in this program and what the Peace Corps wants the volunteers to do in the Philippines."

The trainees have been given a series of academic, psychological, physical and mental examinations during the seven weeks.

General Motors Asks Court Restraint

PITTSBURGH (AP) — General Motors Corp. has gone to court in an effort to limit picketing at the firm's strike-bound Fisher Body Division plant in suburban West Mifflin.

A hearing was set for this afternoon after Judge Clarence B. Nixon of Allegheny County Court Friday turned down a GM request for an immediate restraining order.

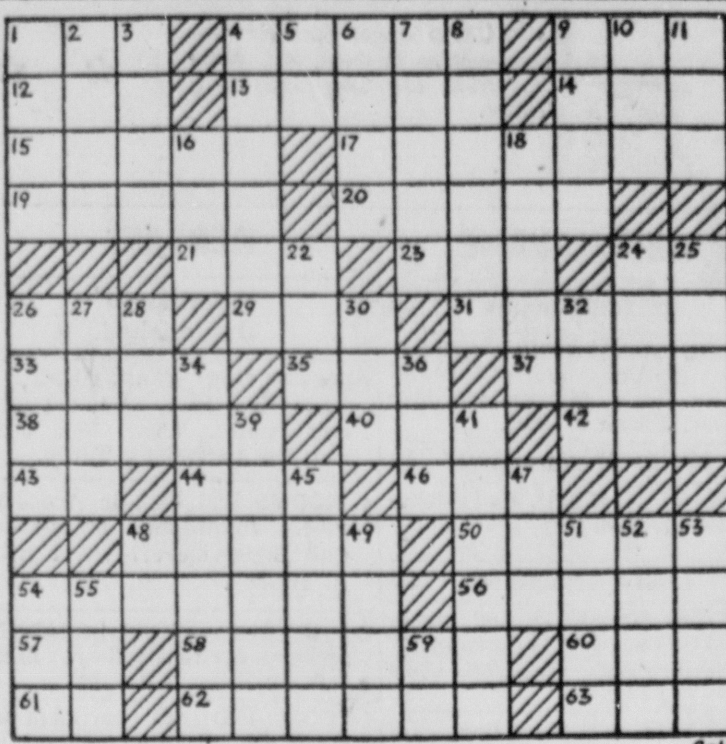

GM asked to limit the pickets to two to each gate. It also wants to ban to halt picketing from interfering with traffic entering or leaving the plant.

Trouble has erupted twice at the picket line. Thursday morning a picket was allegedly hit by the automobile of plant manager Fred Hughes. Thursday night, John McCarrell, president of Local 54, United Auto Workers, was attacked and beaten along with a Detroit management representative, Charles Latham.

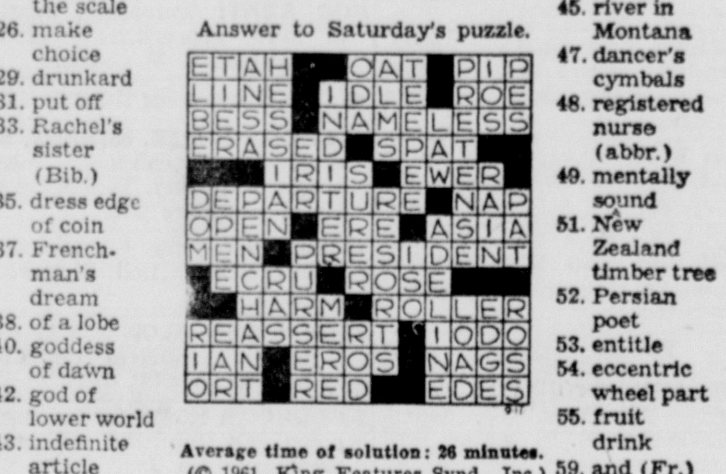

She has "romantic interests, but not in one specific place."

"I'll be interested in marriage when the right boy and I get together and decide we're ready for marriage," she said.

Says Bomb Shelters May Provoke Attack

FAIRLESS HILLS, Pa. (AP)—Dr. Linus Pauling, Nobel prize-winning scientist, says construction of bomb shelters in the United States "might provoke an attack."

Pauling spoke Saturday night before 1,500 persons attending the fourth annual Peace Fair, sponsored by several groups seeking peace.

He said this country must work harder than ever before now "for general disarmament," while refraining from following the Soviet Union's resumption of nuclear weapons testing.

He added that the Soviet move "is sure to lead to a deterioration in the world situation."
